Bluestreak Advance Payment Guarantee

At Bluestreak Equipment, we understand that making prepayments—especially via wire transfer—requires trust. That's why we have put our **Advance Payment Guarantee Statement** in place, providing you with added confidence when placing an order with us.

Our Advance Payment Guarantee Statement

When you place an order with Bluestreak and make a full prepayment, we guarantee the following:

- **Guaranteed Fulfillment:** If we accept your order and receive your payment, we will process and ship your equipment within the agreed timeframe.
- **Full Refund Assurance:** In the rare event that we are unable to ship your order for any reason within 30 days after receiving full payment, we will issue a 100% refund—promptly and in full.
- **Customer-First Policy:** If you aren't satisfied or need to cancel before your order is shipped, we will work with you on a fair and timely resolution, including full or partial refunds, depending on your order status.

Security for Your Business

We have maintained a perfect fulfillment record with thousands of customers around the world. Still, we recognize that trust must be earned, especially for first-time buyers. That's why we:

- Provide prompt order confirmations and tracking updates.
- Assign a dedicated account manager for large transactions.
- Operate under Canadian business law with full transparency.
- Have been in business for over 20 years with consistent delivery performance.

For Orders Under $15,000 USD

You can use credit cards for orders under $15,000 USD (or equivalent foreign currency) on our website. This gives you full protection through your card issuer, including the ability to dispute charges in the unlikely event of a problem we can't resolve to your satisfaction.

For Orders Over $15,000 USD

If your order is over $15,000 USD (or equivalent foreign currency) and requires a wire transfer of funds or perhaps you just opted to pay by wire transfer instead of credit card, rest assured that your funds are safe with Bluestreak. Your payment is protected by our Advance Payment Guarantee.
