

Handheld Magnetic Sweepers Force Series™

Bluestreakequipment
The world's best cleaning equipment

Rugged and tough with more lifting power!

The Force Series™ is a rugged, tough design with more magnetic lifting power for serious jobs. The larger face depth houses more magnetic power than any of our other handheld sweepers. The magnet housing is packed with two powerful layers of permanently charged magnets. Solid aluminum construction stands up to demanding use and all-weather conditions. Maintenance free. Built to last a lifetime.

Force Series™ FEATURES

- Large 7" steel hub and ball bearing wheels makes pushing the sweeper an easy task on any surface
- Two powerful layers of magnets generate super strong magnetic pull making picking up metal debris faster
- 3 sweeping height adjustability settings of 1", 2" or 3" to match any surface
- Available in three sizes to maximize efficiency and manoeuvrability (19", 25" and 31")
- Curved and padded ergonomic handle helps reduce fatigue
- Handle braced design provides solid construction that won't break or bend
- Designed to stand up right on its own when not in use

BENEFITS

- Reduce flat tires and related down time by removing dangerous and harmful ferrous metal debris
- Increase customer satisfaction by leaving a cleaner, safer jobsite when you're finished
- Pickup metal debris faster and save time
 - Easy to store and transport
 - Less likely to be driven over when not in use because stands upright on its own
 - Cleaning corners and edges of buildings is easy with the rear offset wheels which allow magnets to get into tight spots

Recommended Applications:

- Roofer's Job Sites
- Builder's Job Sites
- Fabrication Shops
- Manufacturing Facilities
- Trucking and Shipping Facilities
- Park Fire Pit Cleaning
