

An Entry Level Professional Sweeper that gets the job done!

Pick up harmful metal debris that other brooms and sweepers leave behind with the power of permanently charged magnets placed end to end with no spaces. Specifically designed for the professional who needs extra cleaning power on hard to clean surface areas such as dirt, gravel, pavement or large concrete areas. The Magnum will save you time and reduce labour costs. Light weight all-weather aluminum construction makes it easy to push and pull across surfaces without fatigue.

Magnum Series™ FEATURES

- Two height adjustability settings of 1 3/8" or 2 3/8" makes the Magnum ideal for any surface area
- Three piece aluminum Y handle design is super sturdy and durable
- Six inch wheels for easy manoeuvring and quiet operation on any surface
- Puncture proof solid wheels
- Packed with permanently charged magnets placed end to end unspaced for a stronger magnetic field
- Available in four widths to maximize your productivity and manoeuvrability requirements (20", 25", 31" 37")
- Maximum lifting height of 4 3/4 inches
- Aluminium housing with 1/8 inch walls won't rust in wet or damp conditions
- Conveniently stands up on its own when not in use to reduce the chance of accidents
