

Fast, aggressive cleaning of very large areas

When you need to clean large areas quickly, use the Piranha towable magnetic sweeper. The Piranha has two rows of 4.5" x 4.5" magnetic housings, giving it more magnetic lifting power so you can operate at higher speeds. The unique Slingjaw clean off system makes removing debris from the sweeper fast and easy. Perfect for applications where heavier vehicles are towing the sweeper or where you require higher operating speeds to cover a larger area faster. For added versatility, three Piranhas can be hitched together to create a wider cleaning sweep.

Piranha Series™ **FEATURES**

- Housing is packed end to end with three solid layers of magnet 2(4.5" x 4.5") housings. More magnets means more lifting and cleaning power.
- Easily attaches to trucks, tractors, or utility vehicles with a 2" ball hitch.
- Unique slingjaw clean off system dumps debris into debris trays and holds it for later disposal.
- Operating speeds up to 15mph/24kmp.
- Available in sweeping widths of 72" and 96".
- Durable, long lasting design using welded steel frame and aluminum housings.
- Capable of hitching multiple units together to cover larger areas with purchase of Multihitch.

Pick up ferrous metal debris from large areas quickly and easily

Unique Slingjaw clean off system stores debris for later removal

Adjustable coupler height

BENEFITS

- Faster and more productive than other methods of picking up metal debris because the Piranha is designed to sweep at higher speeds.
- Avoid down time and schedule disruptions and their related costs caused by equipment flat tires
- Provide cleaner, safer environments for vehicles, equipment and people.

(Shown with optional lights and fenders package)

Recommended Applications:

- Airports
- Roads
- Parking Lots

Piranha

Specifications

Product Name

Piranha - Towable Magnetic Sweeper

Sweeping Width

Piranha96(4.5"x 9") - 72" sweeping width

Piranha120(4.5"x 9") - 96" sweeping width

Height of Sweeper Magnetic Housing

4.5"

Face Depth of Sweeper Magnetic Housing

9"

Magnet Dimensions Inside Housing

Piranha96(4.5"x9") - (32"L x 3"H x 8"W) x 2

Piranha120(4.5"x 9") - (44"L x 3"H x 8"W) x 2

Lights (optional)

4 pin connector

Ground Clearance

2" to 3" when sweeping with sweepers down

6.5" when traveling with sweepers up

Total Product Weight

Piranha96(4.5"x9")- 678 lbs

Piranha120(4.5"x 9")- 832 lbs

Lifting Weight (measured in 2 1/2" 8 penny nails)

N/A

Coupler

2" ball coupler

Cleaning Method

Slingshot clean off system

Wheels

5 bolt - 20.5 x 8.5

Height Adjustability

N/A

Tongue Weight

66lb empty

Frame Construction

Steel

Housing Construction

1/8" wall Aluminum

Magnetic Surface Area (square inches)

Piranha96(4.5"x9")- 512" (32" x 8") x 2

Piranha120(4.5"x 9")- 704" (44" x 8") x 2

Maximum Lifting Height (measured in 2 1/2" 8 penny nails)

10.5"

Maintenance Requirements

Grease nipples on rotating housings and bearing buddies need to be greased

Coupler Height

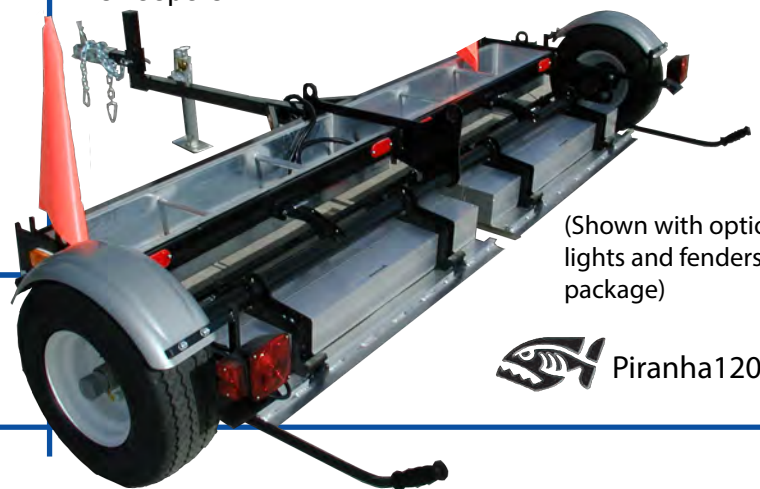

Coupler adjustable to 16", 18", 20", 22", 24", & 26"

Maximum Operation Speed

15mph/24kph

Accessories

Available Multi-hitch for towing multiple Piranha 120 sweepers.

(Shown with optional lights and fenders package)
