

Handheld Magnetic Sweepers - Powerstik Pro Elite Series™

Bluestreakequipment MAGNETICS
 APPLICATION DRIVEN DESIGN
 www.bluestreakequipment.com

POWERSTIK PRO ELITE

The Powerstik Pro Elite magnetic sweeper was created to have the most magnetic power that can be offered in a compact handheld package. It is packed with more Super Blue magnets than the Pro model and features a combination armrest / adjustable grip to enhance ergonomics for different height users.

Roofers and Builders Needs/Problems

The Powerstik Pro Elite Solutions

Durability

- Equipment needs to be durable and require no maintenance.

- Heavy duty construction using all-weather anodized aluminum requires no maintenance
- The 1" square one piece tube provides solid rigidity and durability.
- Durable 4-position quick clean off sleeve with wear bars for abrasion resistance.

Convenience

- Equipment needs to be easy to use, store and transport

- Cleans off easily over trash bin using push button release quick clean off sleeve.
- "Hook" design gets in and around everything and anything.
- Slim profile and loop on armrest for easy hanging storage.
- Adjustable armrest for different height users.

Light Weight

- Equipment needs to be light weight to reduce fatigue and strain.

- At 4.3LBS, you can use the Powerstik Pro Elite with one hand.
