

# Handheld Magnetic Sweepers - Powerstik Pro Series™

www.bluestreakequipment.com

## POWERSTIK PRO

The Powerstik Pro magnetic sweeper is the powered-up version of Bluestreak's original Powerstik magnet that has become a hit with roofers thanks to the maneuverability, and surprising power for such a lightweight package.

### Roofers and Builders Needs/Problems

### The Powerstik Pro Solutions

#### Durability

- Equipment needs to be durable and require no maintenance.

- Heavy duty construction using all-weather anodized aluminum requires no maintenance
- The 1" square one piece tube provides solid rigidity and durability.
- Durable 4-position quick clean off sleeve with wear bars for abrasion resistance.

#### Convenience

- Equipment needs to be easy to use, store and transport.

- Cleans off easily over trash bin using push button release quick clean off sleeve.
- "Hook" design gets in and around everything and anything.
- Slim profile allows easy storage behind the seat of your truck.

#### Light Weight

- Equipment needs to be light weight to reduce fatigue and strain.

- At 3.1LBS, you can use the Powerstik Pro with one hand.
- The Powerstik Pro is easy to maneuver in tight spaces for precision cleaning.
