

Compact, light weight, height adjustable magnetic sweeper

No need to compromise just because you're a homeowner or occasional user. Perfect for homeowners and light or infrequent commercial users. Reduce injuries to pets and people and recover wires, screws and nails hidden in lawns and driveways. Compact, light weight design makes it easy to handle and lift.

Scape Series™ FEATURES

- Three sweeping height adjustable settings to match any surface
- Comes standard with ABS Quick Clean Off Sleeve for quick and easy cleanoff
- Light weight, easy to lift and handle
- Permanent magnetic pull guaranteed
- All the benefits of a larger model in a compact economic design
- Stands up on its own when not in use
- Designed with a 1/8" aluminium housing that won't buckle or bend and won't rust in wet damp conditions
- Available in 14, 20 and 26 inch widths
- Solid three piece Y handle design for durability

BENEFITS

- Completely maintenance free design never needs replacement parts or recharging
- Keep your pets and children safe by picking up ferrous metal debris embedded or hidden in grass or lying on concrete floors
- Pick up nails, staples, tacks, welding rods, bolts and all scrap iron particles that are left behind after home improvement jobs.
 - Keep lawns, driveways and other areas clean of dangerous ferrous metal debris.

Recommended Applications:

- Homeowners
- Builder's Job Sites
- Roofer's Job Sites

Comes with ABS Quick Clean Off Sleeve

Powerful magnets never need recharging

Three height adjustable sweeper settings
