Benefits

Increased Productivity		Shortens clean up times by 40%	Shortens clean up times by 55% (more than twice as fast)	Shortens clean up times by 80% (5 times as fast)
Increased Effectiveness		Picks up 100% of steel shot from 1" depths	Picks up 100% of steel shot from 1 3/4" depths	Picks up 100% of steel shot from 1 3/4" depths
Increased Ease of Use		Less bending over, large operator experience improvement	Less bending over, large operator experience improvement	Less bending over, large operator experience improvement
Reduced Long Term Costs		Quality construction and parts availability	Quality construction and parts availability	Quality construction and parts availability
Other Benefits		Completely sealed magnetic drum	Completely sealed magnetic drum	Completely sealed magnetic drum, converts to a tow behind from a Push Type
