

Compact, light weight, go anywhere, magnetic sweeper that hugs the ground

Designed without wheels so that sweeper hugs the ground and reaches areas a wheeled sweeper can not. Perfect for homeowners and light commercial use. Reduce injuries to pets and family members and recover wires, screws and nails hidden in lawns and driveways. Compact, light weight design makes it easy to handle and lift.

Tundra Series™ FEATURES

- Wipes clean with a cloth or glove no special cleaning equipment or supplies necessary
- Broom like design with no wheels allows for the most versatile cleaning
- Permanent magnetic pull guaranteed
- All the benefits of a larger model in a compact economic design
- Built with highly abrasive resistant UHMW skid pads that glide across smooth, hard surfaces
- Designed with a 1/8" aluminium housing that won't buckle or bend and won't rust in wet damp conditions
- Available in 14 inch widths

Ergonomic handle for comfort and ease of use

BENEFITS

- Completely maintenance free design never needs replacement parts or recharging
- Keep your pets and children safe by picking up ferrous metal debris embedded or hidden in grass or lying on concrete floors
- Pick up nails, staples, tacks, welding rods, bolts and all scrap iron particles that are left behind after home improvement jobs.
- Keep lawns, driveways, flowerbeds, water pools and shops clean of dangerous ferrous metal debris.

Recommended Applications:

- Homeowners
- Builder's Job Sites
- Roofer's Job Sites
- Clean Up Crews

Powerful magnets never need recharging

Solid construction designed to get the job done
